PROFESSIONAL SUMMARY

BCA graduate with hands-on experience in web development through academic and self-learning projects. Skilled in developing responsive web applications using HTML, CSS, JavaScript, React.js, Tailwind CSS, Node.js, and Express.js. Familiar with REST API development, CRUD operations, SQLite, MySQL, Git, GitHub, and Postman. Experienced in building practical applications involving data management, user workflows, dashboards, and frontend-backend integration. Seeking an entry-level Web Developer, Frontend Developer, or Junior Full-Stack Developer role.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, React.js, Tailwind CSS, Responsive Web Design
Backend: Node.js, Express.js, REST APIs
Databases: SQLite, MySQL
Tools: Git, GitHub, Visual Studio Code, Postman
Concepts: CRUD Operations, RESTful APIs, Frontend-Backend Integration, Responsive Design, API Testing

PROJECTS

Camera Service Log Management System

- Developed a web application for digitally managing camera service records and service-related information.
- Implemented dashboard functionality for searching, filtering, and tracking service status.
- Designed responsive user interfaces for efficient record management.

QR-Based Self Food Ordering System

- Developed a QR-based food ordering web application designed to simplify restaurant ordering workflows.
- Implemented responsive interfaces for menu browsing, cart management, and order placement.
- Used React.js and modern frontend development techniques to create an interactive user experience.

PROFESSIONAL EXPERIENCE

Digital Marketing Executive **April 2025 – July 2025**
Supportta Solutions Private Limited, Kottayam, Kerala

- Managed social media content and supported online branding activities.
- Assisted with basic performance tracking and digital marketing activities.
- Collaborated with design and technical teams to support digital projects.

Student Web Developer **Academic and Self-Learning Projects**

- Developed web applications as part of academic coursework and independent learning.
- Built responsive user interfaces using HTML, CSS, JavaScript, React.js, and Tailwind CSS.
- Practiced backend development using Node.js and Express.js.
- Created and worked with REST APIs and CRUD-based application functionality.
- Used Git and GitHub for source code management and project development.

EDUCATION

Bachelor of Computer Applications (BCA) **Completed**
College of Applied Science, Mavelikara (IHRD), Kerala

CORE STRENGTHS

Problem Solving — Quick Learning — Adaptability — Consistent Practice — Team Collaboration — Willingness to Learn

ADDITIONAL INFORMATION

- Interested in Web Development, Full-Stack Development, and Software Engineering.
- Actively building practical projects to strengthen frontend and backend development skills.
